The Agile Mindset is about more than just doing – it's about how you think

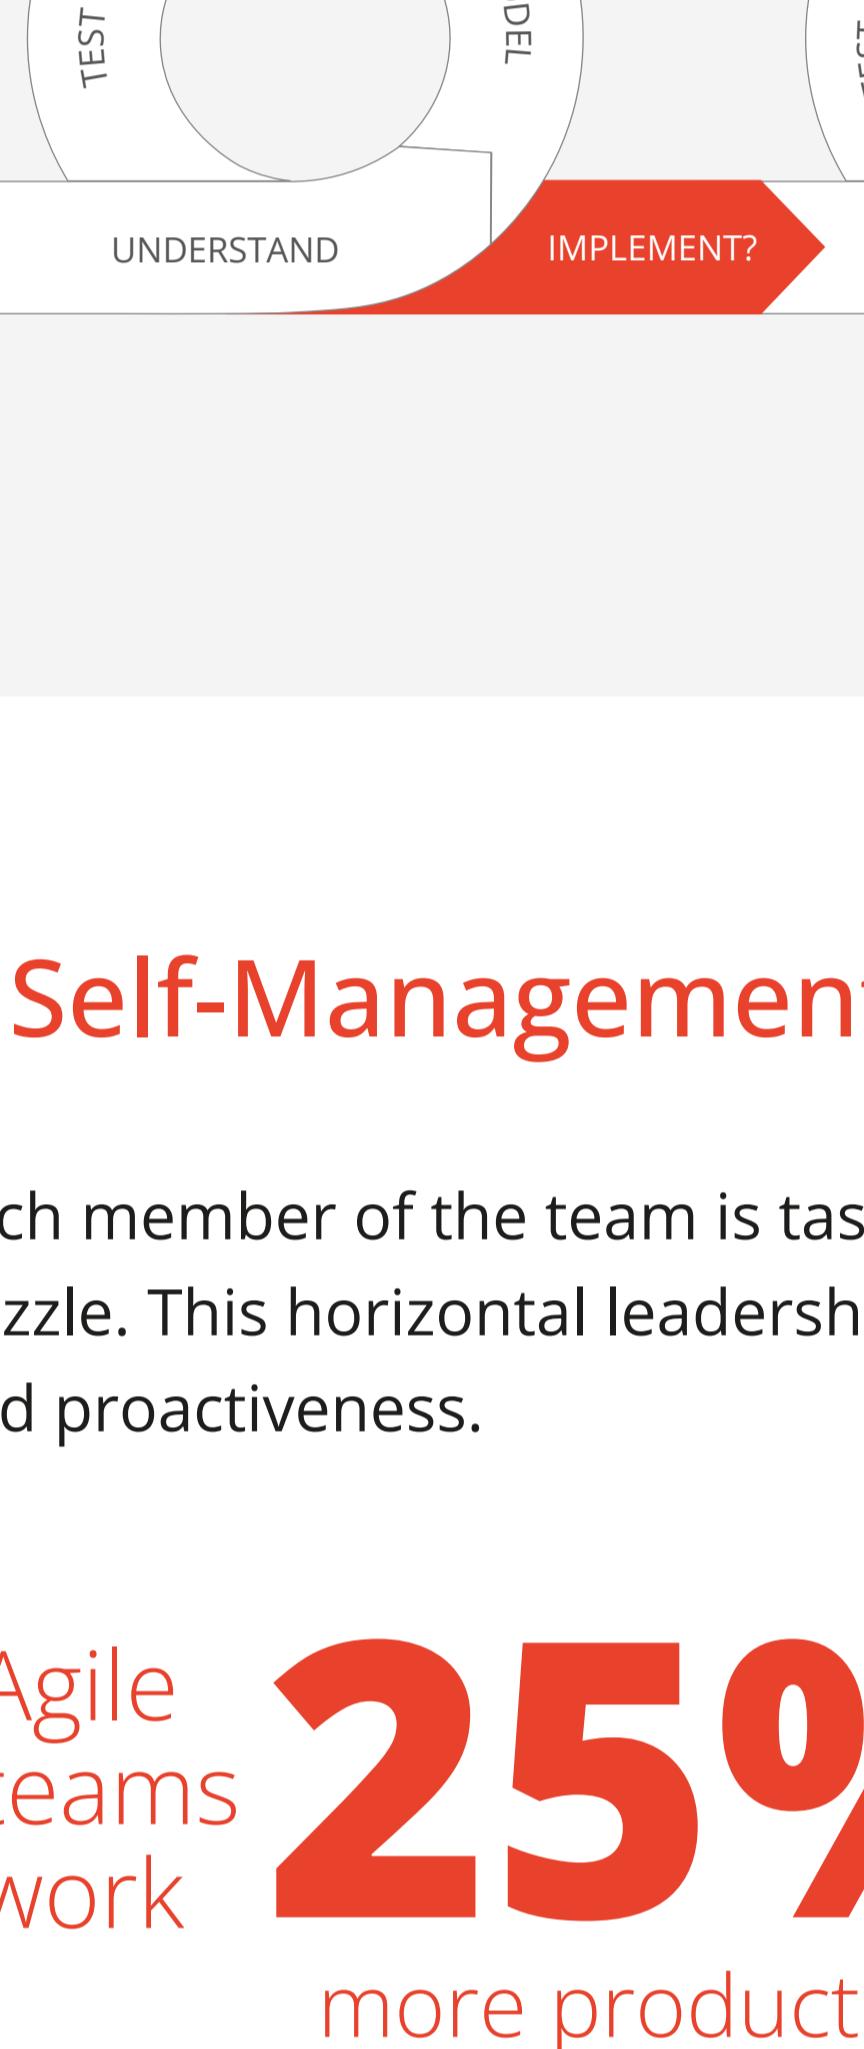

MJV has recently released a book titled, **Agile Companies: A Practical Guide**, which contains an in-depth analysis of how modern Agile processes function, as well as how to implement Agile ceremonies and cultural transformation within companies.

As of this year, Agile has helped

98%
of all companies.

Benefits of the Agile Model

Delivering Continuous Value

Each Sprint generates constant validation and consistent feedback, meaning the quality of value delivery only increases from one to the next.

Companies adopting Agile can expect 60% growth in revenue and profit on average
